NPIC NOTICE
NO. 1-130-19

ORGANIZATION
8 June 1964

PHOTOGRAPHIC INTERPRETATION PRODUCTION BOARD

1. A Photographic Interpretation Production Board is established for the purpose of providing advice and assistance to the Assistant for Photographic Analysis in the development of plans and programs related to the production of photographic interpretation reports in support of the national intelligence effort.

2. Board membership will consist of the following individuals:

Assistant for Photographic Analysis (Chairman)
Chief, Collateral Support Division
Chief, Information Processing Division
Chief, Production Services Division
Chief, Publications Division
Chief, Technical Intelligence Division
Intelligence Production Officer, PAG (Secretary)

3. The Production Board will meet at the call of the Chairman to consider those matters which he desires to place before the Board members. He will consult and coordinate with other NPIC components and invite them to participate in Production Board matters when such coordination is deemed necessary.
